**Subject:** Review Scheduling

Eric,

I am projecting my review schedule for the spring/summer season. I have you listed for two sites Holy Trinity and Niagara Falls Blvd. Please provide me with an idea of when you expect to be on site with ERRS for either site this spring/summer so I can plan accordingly. If the site will be inactive, closed or has been delegated to another OSC please let me know.

Thank you,

"Mark" Colin Oldland
